Short UX design course, CareerFoundry

CareerFoundry offers free short, beginner-friendly course introducing aspiring designers to UX design. The course is flexible and self-paced, and each design tutorial only takes 15 minutes to complete.

The screenshot shows a web browser window with the CareerFoundry logo at the top left. Below the logo, there are two teal buttons labeled "SELF-PACED" and "FOR BEGINNERS". The main heading is "Get a free UX design short course". Below this, there are three bullet points: "◆ Get an intro to UX, try exercises, and learn about career change", "◆ Receive 6 daily lessons that take around 15 minutes each", and "◆ Find out if UX design is right for you". To the right of the text is a video thumbnail showing a person working on a computer. At the bottom, there are two input fields: "First name*" and "Email address*", followed by a red button labeled "Get the free course".
